PROJECTS

E-Commerce Website (PHP, MySQL)

August 2025 to Ongoing

- Built a secure online store with user login, dynamic product display, shopping cart, and order tracking.
- Developed user profile management system.
- Used PHP sessions for authentication and MySQL for database.
- Created a responsive frontend with HTML, CSS, Bootstrap, and JavaScript

GitHub: <https://github.com/assadullaalglib/E-Commerce-PHP>

Inventory & Sales Management System (ASP.NET MVC, MSSQL)

Apr 2025 to Jun 2025

Role : Worked specifically on **Product and Category** modules

- Developed a comprehensive inventory and sales management system with distinct Manager and Salesperson roles.
- Integrated Rotativa for dynamic PDF invoice generation.
- Implemented real-time product search using AJAX with Select2 dropdowns.
- Secured user authentication using JWT.
- Delivered analytical insights through KPI tracking and interactive dashboard visuals.

GitHub: <https://github.com/nocillax/Inventory---Sales-Management-System>

TeamSync – Project Management Platform (Core PHP, MySQL)

Dec 2024 to Jan 2025

Role : Worked as a **Developer** part

- Built a multi-user project management platform with role-based dashboards for Admin, Project Manager, Developer, and Client.
- Managed sessions manually and applied custom routing for optimized performance.

GitHub: <https://github.com/nocillax/TeamSync>

EDUCATION

American International University-Bangladesh

2022 – Present

BSc in Computer Science and Engineering

CERTIFICATIONS

- **IT Essentials: PC Hardware and Software** – Cisco

VOLUNTEERING EXPERIENCE

Haiya Alal Falah | Volunteer

2022 – Present

- Distributed food and clothing to underprivileged communities.

ADDITIONAL SKILLS
